

Joshua Naude

Junior Deckhand (Deck-Dive)

I am a motivated and professional junior deckhand with completed superyacht deckhand training in Cape Town and PADI Divemaster and Instructor certifications. I bring a strong sense of responsibility, reliability, and respect for onboard standards, with practical experience in washdowns, line handling, basic deck maintenance, and long working hours in a team-focused environment. I am physically fit, safety-conscious, and quick to learn, with a clear commitment to growing within the superyacht industry, advancing skills, and building a long-term career while contributing positively to the vessel and crew. CV and certificates available on request.
